

# About Us

---

**natur&ëmwelt a.s.b.l. is committed to protecting biodiversity in a diverse natural and cultural landscape through awareness campaigns, advice to the public as well as hands-on, scientific, and political work at a local, national, and international level. natur&ëmwelt a.s.b.l. today counts around 11,000 members, divided into member associations, as well as 40 partner organisations.**

## **The merger creating natur&ëmwelt a.s.b.l.**

The merger creating natur&ëmwelt a.s.b.l. was decided on 13 July 2012 at the extraordinary general assembly of Haus vun der Natur a.s.b.l., NATURA a.s.b.l., and the Lëtzebuenger Natur- a Vulleschutzliga a.s.b.l. This merger was the final step in the reorganisation of the conservation organisation.

# Local groups

---

natur&ëmwelt a.s.b.l. counts 11,000 members divided into local or thematic groups. These member associations independently organise activities such as excursions or hands-on conservation initiatives in their region. Many volunteers are actively involved in nature conservation through our local groups.

Would you like to get involved too? Then reach out to the contact person for your area. In case there isn't yet a group near you, please contact Anna Ewen via 29 04 04 334 or at [a.ewen@naturemwelt.lu](mailto:a.ewen@naturemwelt.lu)

Here you can find the statutes of the Beetebuerg-Monnerech-Réiserbann group. You can find the group's 2020 activity report and the 2020 financial report here.

Here you can find the statutes of the Mëllerdall group.

Together for nature – Become a member

Join natur&ëmwelt a.s.b.l. in protecting Luxembourg's environment and benefit from our various member benefits and discounts.

## **Why become a member:**

- **Together for nature**

As a member, you contribute to natur&ëmwelt's ability to successfully protect biodiversity in a diverse natural and cultural landscape through sensitisation, advice as well as hands-on, scientific, and political action at a local, national, and international level.

- **Active protection of nature and species**

Together we are committed to protecting threatened habitats and rare biotopes. The network of natur&ömwelt nature reserves now covers over 1,700 hectares, spread throughout the entire country. One goal is to keep increasing the number and size of acquired protected areas in order to preserve the fascinating diversity of nature for all of us as well as future generations.

- **Your voice for nature**

As a conservation organisation, we have to be active on the ground and make our voices heard by politicians.

In order to promote positions and advance decisions, natur&ömwelt a.s.b.l. tackles all political dossiers relating to the protection of nature and biodiversity at a local, national, and European level.

## **Your benefits:**

### **Choose your membership type:**

- Student/youth membership (< 26 years): 10 euros/year

# Become a volunteer

---

Do you care about nature? Would you like to put your talents to use to help nature and the environment? We're counting on your invaluable support!

Together and from each other we learn about the world of plants, animals, and biodiversity and experience unique moments in good company. A great team, good atmosphere and lots of fun are guaranteed!

[Leaflet](#) · How to get involved (EN)

## **RAISING AWARENESS, POLITICAL ACTION, AND CONSERVATION WORK**

Would you like to help us inform visitors at stalls and festivals about various nature-related topics? Or take part in political action? Maybe you'd like to demonstrate your talent as a photographer? Or would you rather get involved in hands-on conservation work?

## **EDUCATIONAL ACTIVITIES**

You love working with children and teenagers and you're interested in educational activities about and in nature? If you have an idea for an activity that you would like to offer on our behalf, don't hesitate to get in touch.

## **WILDLIFE RESCUE CENTRE**

Do you love wildlife and want to lend a helping hand? Depending on your interests and availability, we offer various volunteer opportunities. Be it as a keeper, a wildlife taxi driver, a helper in communication, or crafts(wo)man, your help is appreciated.

## **VOLUNTEERING IN MY AREA**

Do you want to organise activities for nature conservation and environmental protection in your municipality? Then reach out to the contact person for your area.

## **Have we sparked your interest?**

Fill out the form and don't hesitate to tell us more about your interests and skills. We'll do our best to suggest appropriate activities for you and look forward to your support!
